

PS 133's Midwinter Recess  
**READATHON**

**Ready? Set... Read!**

How much can your PS 133 Student read? We want our kids to try to read as much as they possibly can over the Midwinter Recess. Let's make this an awesome 133 community and FUNdraising event!

How it works:

1. Students set their reading goal for the Readathon and note it on the "My Reading Goal" line of this pledge sheet and the Reading Log. Parents, check out the *Recommended Reading Goals* by grade on the attached Reading Log and work with your child to set a goal.
2. Invite adult sponsors to make a flat donation or to pledge an amount-per-minute-read. All proceeds go toward PTA-supported programs, including classroom libraries! Consider taking the **PS 133 Readathon FUNdraiser Challenge**: Find 5 sponsors to pledge \$10 for reading at least the Recommended Reading Goal each day for the Readathon period! (Note: Monetary pledges are not mandatory. We would like ALL PS133 kids to join in the fun and enjoy reaching their goals.)
3. Each day, students read and fill-in their Reading Log, then have a parent / caregiver initial the entry.\* All reading counts - books, magazines, comics, letters, emails, homework instructions, etc. Pre-K Kindergarten and 1st Grade students may include minutes that adults read to them.
4. Return the completed Reading Log, Pledge Sheet and collected donations to teachers on Monday, February 27th. Pledges can also be dropped off in the secured box in the Main Office (cash or checks made payable to *PTA of PS 133K* with "Readathon" in the memo section) or can be paid online at <http://ps133brooklyn.org/ps-133s-readathon/>. **Prizes will be given to students who reach their reading goals!**
